HAPPY NEW YEAR

Dear Cathedral Community,

I would like to wish everyone a very happy New Year and hope you all had a wonderful Christmas break! We are excited to have the students back to school and looking forward to a great third trimester. Thank you to our Cathedral community to your commitment to the health and safety of all of our students and staff.

A few COVID reminders:

- If your child is sick, please keep them home. As we have all read, the most recent Omicron variant presents with cold symptoms and it is highly contagious so it is very important to keep sick children home.
- If your child tests positive for COVID or has been exposed to someone with COVID, please contact me immediately. I am working very closely with the Multnomah Health Department and will let you know how long the isolation/quarantine period will need to be and when your child is able to return to school.
- Policies and procedures are changing daily with directives from the ODE, OHA and the CDC. We appreciate your patience as we navigate the ever-changing COVID directives. We will keep you up to date as we receive information.

Our students, teachers and staff's health and safety is our number one priority. We have layered mitigation safety protocols in place and are confident that Cathedral School remains a safe and responsible environment for all students and staff.

Thank you and God Bless,

Amy Biggs, Principal

Student Ambassador & Leadership Program

We are pleased to announce Cathedral School's new Student Ambassador & Leadership program for 6th, 7th and 8th grade students. The mission of the program is to prepare Cathedral School students to make ethical and moral choices over their lifetimes by instilling in them the values of the Cathedral School mission statement and student expectations.

Students must submit an application that is then reviewed and accepted based on the application criteria and member expectations. Cathedral School Student Ambassadors and Leaders support the events and responsibilities of Cathedral School by leading by example, taking leadership roles in school events, and mentoring younger students. Program members will meet weekly and attend workshops and other Cathedral School events throughout the year.
