## Classroom Happenings: Third Grade Wax Museum

Presenting the Third grade wax museum!

Students picked a historical figure, did research on them and wrote a report. They then turned their report into a speech about their character and memorized their speech.

They dressed up like their character and said their speech for parents/friends and students and teachers. Each class visited the wax museum to hear their speeches and learn about all the amazing historical figures.

Great job Third graders!

# Holy Week at Cathedral School

Students participated in various Holy Week activities prior to Easter. Some highlights included:

- Middle School students reenacted scenes from the Stations of the Cross using a green screen and made videos to share with their classmates.
- All students attended a special Stations of the Cross service on Good Friday.
- Pre-Kindergarten students acted out Jesus' entry into Jerusalem, up until the Last Supper, complete with washing of the feet.
- Fifth Graders made Stations of the Cross banners.
- Second graders created Holy Easter Baskets, decorating an egg carton and filling it with 12 eggs. Within each egg they placed items that represented a certain part of the story that they shared with their families.
- Fourth grade learned about the Guatemalan tradition of creating colorful temporary carpets or "alfombras" by carefully arranging colorful sawdust in the city streets. Students made coloring sheets for their Pre-Kindergarten buddies based on these alfombras and then helped them color and arrange the sheets in our own alfombra and then had their own procession over the carpet carrying images of Jesus and Mary.
